YNCU TO BUILD NEW BRANCH IN STRATFORD

Moving its current operations to its new branch are part of ongoing efforts to improve service delivery to the community

STRATFORD, ON | JANUARY 18, 2022 — YNCU is pleased to announce the construction of a new state-of-the-art facility for its Stratford branch. Located in the west end of Stratford, the new branch offers more services, more advisors and better solutions to Stratford and the surrounding area.

As a strong supporter of local economic growth, the credit union is proud to create a space that will serve the community for years to come. The building will feature new and innovative services geared towards modernizing the banking experience for its members. The branch will also offer flexible hours and increased accessibility to ensure all member needs are met.

“One of the things we have continued to work on is improving the services we provide to our members,” says Archie Bonifacio, YNCU’s Chief Member Experience Officer. “The completion and opening of this new branch offer even better solutions for the community’s banking needs. We are continuing to work hard, ensuring members of our branches across Ontario experience best-in-class innovation and more personalized services.”

To ensure a smooth transition, YNCU’s current Stratford branch location will remain open until the new building is complete. Construction is expected to be complete by mid-2022, with a launch date scheduled for fall 2022.

“YNCU has been a strong part of our community for many years,” says Andriana Akins, Assistant Manager, Member Services at YNCU’s Stratford Branch. “Living and working in this community, I’m proud to be part of an organization innovating its operations for the future, to better support our members and community at large.”

With this new construction, YNCU is excited to be part of the ongoing growth in Stratford's west end and an active member in the city's economic development. For more on YNCU, visit www.yncu.com.
