PURPOSE	A long-term deposit is a great option for growing your money when you are saving for a long-term goal, with peace of mind knowing your principal is secure and your rate of return is guaranteed.	A short-term deposit is a great option for growing your money when you have a short-term goal or when you will need access to your savings. The 1 Year Cashable GIC offers the peace of mind of knowing your principal and rate of return are guaranteed.	An Index-Linked Term Deposit is a safe way to benefit from the potential growth of investing in the stock market. Your principal is 100% guaranteed while the interest is based on the performance of a basket of securities.	If you're looking for a safe, secure and guaranteed investment that pays you regularly (rather than at maturity), consider our monthly interest Guaranteed Investment Certificate (GIC).	The Pay Yourself First Guaranteed Investment Certificate (GIC) provides a simple way to support your financial goals by creating a monthly savings plan.	A Step-Up Term Deposit is a great option for growing your money at an escalating rate, with the security of knowing your principal is protected.	We offer special terms throughout the year. Watch the website, the email newsletter, and our social media for campaigns.
RATE Please refer to the current rate bulletin; all rates are subject to change without notice.	Tiered interest rates begin at balances of \$20,000 or more. Great opportunity to earn more as your balances grow.	Tiered interest rates begin at balances of \$20,000 or more. Great opportunity to earn more as your balances grow.	The return on the deposit will be based upon the participation rate multiplied by the average rate of return of the basket of securities over the term of the deposit.	Tiered interest rates begin at balances of \$20,000 or more. Great opportunity to earn more as your balances grow.	Interest is calculated on the daily balance so your interest increases as your investment grows.	Guaranteed higher interest rates for the future as the interest rate increases every year.
