## **ABOUT YNCU**

With 17 branches and a network of surcharge-free ATMs, Ontarians can access financial services close to home across southwestern and northern Ontario. At \$2.8 billion+ in assets under administration and 53,000 members strong (and growing!), YNCU is one of the largest credit unions in Ontario. As a community-based organization, not only do YNCU's partnerships and investments make a difference, its employees live and work in the communities they serve. YNCU's foundation is built on connectedness to the communities where it operates. Yearly the organization sets aside a minimum of 1% of the pre-tax profit earned by the credit union in the previous fiscal year to be used for charitable organizations and associations that share its focus on improving our communities. Together with its members, employees and community partners, YNCU is helping to make life better in the places Ontarians live, work, learn and play!
